115 West Howard Street, Pontiac, IL 61764

## Membership Form

The Livingston County Historical Society was formed in 1924, with the purpose of preserving the history of Livingston County. The need to do this is even more important today. You can help preserve the past for future generations by becoming a member of the Livingston County Historical Society. We encourage you to become an active member and volunteer. Between the Jones House, the Strevell House, the Yost House, our collections that need care, and a room in the renovated Historic Courthouse to display and educate about our past, we have a lot to do. You can become a part of this important work. Join, and volunteer.
